

MEMORANDUM

| | | | |
|----------------|--|-----------------|--------------------------|
| To | : RCBC Plaza Tenants | Date | : July 19, 2016 |
| From | : Property Management Office | Ref. No. | : PMO-AMM-2016-71 |
| Subject | : Interruptible Load Program Update | | |

MESSAGE:

Please be informed that NGCP (National Grid Corp. of the Philippines) has raised a YELLOW ALERT today, July 19, 2016 at 11:00 AM. With this, once we receive the RED ALERT we will be required to de-load from the MECO (Meralco Line) line from 1PM to 3PM today as one of the participants to the government's Interruptible Load Program (ILP).

With this exercise, a selected portion of our power loads will be transferred to our Generator sets (Back-up Power) to accommodate the said de-loading.

Rest assured that there will be minimal impact to the building tenants' operations during this activity.

Thank you for your usual cooperation.

Reminder: Please ensure that your UPS Systems are properly maintained and constantly ready to provide instantaneous protection from power fluctuations.
